

Dear Perimeter
Bike Riders,
Thanks a
million for all
you hard work that
did our way to Disney!

It was the most wonderful
trip of our lives! Clint was
stuck seeing all his
favorite Disney characters,
Each day was a new and
exciting adventure. It was more
than we ever imagined and
certainly was a "Dream come
True". Thanks from the bottom
of our hearts for giving
our little guy the happiest
days of his life!
God bless all of
you!

We
Want to
Thank
You

This note of thanks
just can't convey
The gratitude that's sent your way,
But may these words
somehow express
Our thanks for all
your thoughtfulness.
